

Job Address: _____

Owner/Agent: _____ Date of Job: _____

Special Instructions: _____

Important: Read Carefully.

During the time required to heat your structure, the potential for damage to furnishings and fixtures is practically non-existent. The following precautions are suggested in order to protect items of a more delicate nature.

HEAT TREATMENT CHECKLIST

Articles that are impractical to remove may be wrapped with an insulating material or placed in the refrigerator.

Please remove from the treatment area the following items:

- People, plants, and pets. Fish and/or tanks must be removed from the residence prior to service.**
- Medicines and vitamins**
- Fresh fruits and vegetables, chocolates, wines, liquors, vitamins, medicines, and artificial sweeteners. Wax based or paraffin based items (i.e. make-up, lipstick, candles, wax figurines, crayons, etc.). In lieu of removal, small items may be placed in a refrigerator.**
- Antique furniture with finish or fragile glue points**
- Vinyl miniblinds and vinyl ceiling-mounted fan blades. Remove vinyl items where possible.**
- Wooden and stringed musical instruments, but please leave the instrument cases.**

Prior to treatment, please complete the following:

- Unplug computers.**
- Picture frames assembled with hot-melt glue should be removed from the wall.**
- Clothing present during the heat treatment should be placed loosely in laundry baskets to allow the heat to penetrate.**
- Waterbeds must be drained and disassembled to allow the frame to reach the proper temperature. Airbeds must be partially deflated to avoid damage. Select Comfort style airbeds with an electric pump must be partially deflated and unplugged from outlet.**
- Turn on the heating system the morning of service or the night prior to service and set the thermostat to 90 degrees.**
- Other _____**

It is the owner's or agent's responsibility to notify our company of the presence of the following items: Fire sprinklers and heat sensors. Also, please remove batteries from smoke detectors.

REQUIREMENTS AND CONDITIONS

This company assumes no liability for damage to structures not built to local codes, or for faulty gas meters, pipes or wires. It is necessary to have access to electrical power. **We are not liable for damage to old, oxidized, or improperly applied, peeled, or chipped finishes.** We also assume no liability for damage to painted surfaces.

I/we the undersigned have read, reviewed, and agreed to all the provisions contained herein and have acknowledged receipt of an exact copy of this Safety notice. In the event that I/we do not comply with the requirements of this notice, I/we agree to hold the licensed Company/Operator, and any others involved in the completion of stated treatment, harmless of any liabilities connected with this treatment.
